

The BC School Superintendents Association and Apple Canada invite students in Grades 6-12 to participate in the **LEARNING TECHNOLOGY SCHOLARSHIP** program.

Here's your chance to win an Apple iPad

You can be one of the seven iPad winners by showing us your creative and innovative ideas. Design an app for a mobile device or prepare a short video on a topic of human, environmental or educational interest.

The Learning Technology Scholarship program is open to BC public school students in grades 6-12. Winners from the previous school year (2012-13) are not eligible to enter.

There are seven separate entry categories: Grade 6, Grade 7, Grade 8, Grade 9, Grade 10, Grade 11 and Grade 12. A project submission may be created by one student, or a group of students in the same entry category.

ENTRIES MUST BE RECEIVED NO LATER THAN February 14, 2014

Students are required to submit a fully completed entry form that provides a brief written explanation of the project and technologies used. Each entry must also include the name of the school principal or other teacher as a reference.

To enter, please send by email: laspinall@bccsa.org

All content must be the original work of the entrant, otherwise, the entrant must ensure copyrighted information (incl. images, music) is used with permission by the owner/publisher. The project should not contain commercial ads or any content based on established/trademarked video games or other products.

The project entries will be carefully evaluated by a team of judges over several rounds and weeks. In determining the winners, the judges will consider where appropriate; creative use of technology (originality; innovative and unique presentation of information and materials) visual appearance and effectiveness technical quality, educational content (accurate facts; clarity in communications of ideas; potential usefulness to others)

By submitting a project, the entrant agrees:

- a) to the rules and decisions of the judges, which are final and shall not be subject to review; and
- b) to allow the program sponsors all rights to display, publish or otherwise use and to authorize others to use for non-profit educational purposes the entrant's project submitted for this scholarship program.
