Students wishing to be considered for a scholarship must be currently enrolled in their final year of studies at a public secondary school in British Columbia and expected to graduate in June 2016. One winner will be chosen from each of the six BCSSA provincial chapters. Each winner will be awarded a \$1000 scholarship.

In selecting the recipients for this year's awards, the scholarship committees will consider academic achievement, as indicated on each applicant's school transcript of grades, and demonstrated exemplary service and leadership within the school and community. Letters of reference will be required affirming the applicant's accomplishments and efforts to improve the quality of life for young people and others through volunteer work and other activities. In addition, the applicant must submit a short description (**450 words maximum**) of how his/her volunteer service has made a difference in the life or lives of others.

The winners will be announced in late spring 2016.

Only complete applications will be accepted for the scholarship selection process. Please ensure your package contains the required information and documents.

Winners will be awarded a cheque once proof of post-secondary application or registration has been provided to the BCSSA.

Note to Teachers: Class/school entries mailed together must include a completed application package, as specified above, for each student.
