The Association:

The Council of Forest Industries is the voice of the BC interior forest industry. Our members range from large integrated global scale public companies to medium sized family owned operations to smaller independent niche players. They produce a range of products including lumber, pulp and paper, panels and engineered wood in over 60 facilities located throughout the interior. All aspects of our members' operations from forestry to production to sales are recognized as world class. We are recognized for our sustainable forest practices, cost competitiveness and support for green buildings.

The COFI Annual Convention

The convention is the largest gathering of the forest industry in Western Canada and attracts forest industry CEOs and their senior management and production teams from continental North America and offshore, senior representatives from customers, suppliers, financial institutions, law firms, local government, chambers of commerce, Federal & Provincial Ministers, MPs, MLAs and senior civil servants.

The convention alternates between Prince George, BC and Kelowna, BC. At the 2007 Annual Convention in Prince George, President & CEO, John Allan announced that going forward part of the proceeds from the success of the annual convention would go towards supporting ten \$1,000 Entrance Scholarships to be awarded to students enrolling in professional, technical or trades studies at one of the 10 BC Interior Colleges or Universities, leading to a career in the Forest Industry.

Council of Forest Industries

2013 Annual Convention
Legacy Scholarships

Ten \$1000.00 Scholarships

Scholarship Criteria

- Applicants must be planning to attend one of the ten interior post-secondary institutions in the fall of 2013 (see list of post-secondary institutions on the left).
- Preference will be given to students entering a forestry-related program. Students entering other areas of study may apply, knowing there is a preference for forestry related study.
- Scholarships in the amount of \$1000.00 will be awarded on receipt by COFI of documentation confirming registration and proof of payment (copy of tuition receipt) at an approved post-secondary institution.
- Incomplete applications will not be considered for the scholarship.
- The decision of the scholarship committee is final.

List of Interior Post-Secondary Institutions:

College of New Caledonia

College of the Rockies

Nicola Valley Institute of Technology

Northern Lights College

Northwest Community College

Okanagan College

Selkirk College

Thompson Rivers University

UBC Okanagan

University of Northern British Columbia
