### About Nimbus School of Recording Arts

Located in beautiful Vancouver, BC, Nimbus is an elite music industry training facility. Our fully accredited career programs include: audio engineering, music production, live sound and recording, post-production and game audio, and music business diplomas, as well as fast-track certificate programs. Nimbus offers a unique combination of mentorship, hands-on intensive training, and an opportunity to get involved in an active music scene.

Founded by music industry legends Bob Ezrin (Pink Floyd, Alice Cooper, Kiss, Peter Gabriel) and GGGarth Richardson (Rage Against the Machine, Red Hot Chili Peppers, Biffy Clyro), Nimbus trains the next generation of music-industry leaders.
