SUPERVISION

We have noticed that some students have been dropped off in the morning prior to when supervision starts. Please remember that supervision starts at 8:30 a.m. It is very important that we keep our students safe.

3:00 DISMISSAL

Please remember to notify the school if your child will be doing something different after school. Children often don't remember what they have been told in the morning. Please send a note or phone the school if there is a change in your child's normal afterschool routine.
